Ten concessions held by three Pakistan-registered companies: Durr Mines and Minerals (PVT) LTD, Zircon Mines (PVT) LTD and Earth Lux Mines & Minerals (PVT) LTD.

10
licensed concessions

109.06 km²
total licensed area

4
producing blocks (40.29 km²)

7
districts of Gilgit Baltistan

3
licence-holding companies

#	Concession	Location	Key minerals	Area (km²)	Stage	Road access	Licence holder
1	**Hilal Abad**	Kharmang	Premium nephrite jade, serpentine, copper	**9.75**	Producing	Yes	Zircon Mines
2	**Bagicha**	Skardu	Copper (vein at surface), snow white marble, ruby, lithium indications, quartz	**20.00**	Producing	Yes	Durr Mines
3	**Jutial Nala**	Gilgit	Copper veins, lead, silver	**9.97**	Producing		Earth Lux
4	**Skardu Placer Gold**	Skardu	Placer gold, black sand	**0.57** 9.5 km of riverbed	Producing	Yes	Durr Mines
5	**Gultari**	Gultari	Copper, gold, molybdenum, antimony, lead, gemstones	**20.00**	Exploration		Durr Mines
6	**Mahdi Abad**	Kharmang	Serpentine, nephrite (initial samples), copper, iron, silver	**9.90**	Exploration	Yes	Durr Mines
7	**Shigar (Askoli)**	Shigar	Gold, lead, lithium, copper, gemstones	**8.87**	Exploration		Zircon Mines
8	**Gupis**	Ghizer	Copper, granite, premium marble	**10.00**	Exploration		Earth Lux
9	**Gojal**	Hunza	Antimony, molybdenum indications	**10.00**	Exploration licence applied		Zircon Mines
10	**Ishkoman**	Ghizer	Antimony, granite	**10.00**	Reconnaissance licence applied		Zircon Mines
	Total		Producing: 40.29 km² Exploration and applications: 68.77 km²	**109.06**			

Notes

Areas are the licensed or applied area of each block in square kilometres. Mineral lists are field identifications from our own exploration; grades are confirmed by laboratory assay.

Gojal and Ishkoman are licence applications submitted to the Gilgit Baltistan Mines & Minerals Department. Earth Lux Mines & Minerals (Jutial Nala, Gupis) is available for outright acquisition.

Available to verified investors under NDA

Licences and incorporation documents, boundary maps, geological reports and assay results, physical samples, and guided site visits with permits arranged.
